

Dario Massi

A graduate in Economics and Business Sciences from Bocconi University in Milan, Dario Massi began his career at Chemical Montedison Group (1967-1975), in Audit, Accounting and Management Control.

He joined Italcementi S.p.A. in November 1975, where he contributed to create the Budget and Control Department which he subsequently headed. He then became Central Finance, Administration and Control Director of Italcementi.

In January 2000, he was appointed Administration and Control Director of the Italcementi Group and joined Ciments Français as Vice President, Administration and Control until his retirement in May 2008.

He is currently director of the Fondazione Italcementi Cac. Lav. Carlo Pesenti.
